

World Class Cleaning & Hygiene Solutions®

The Power of One: Clean + Disinfect
Eliminate the extra steps, the clutter, and the confusion.

Utilize our powerful, single-solution formulas engineered to handle your toughest tasks, serving as both a primary cleaner and a disinfectant on hard non-porous surfaces. Stop wasting labor on scrubbing away visible soils only to have to apply a separate product to kill pathogens.

One Step Disinfectant Germicidal Detergent and Deodorant

Available in a variety of fragrances.

Each product creates an easily identifiable and appealing fragrance that promotes a positive, "just cleaned" impression.

Registered with the U.S. Environmental Protection Agency (EPA)
