DUAL-BLEND®

CHEMICAL MANAGEMENT SYSTEM

Dilution Control - Your Way

DUAL-BLEND®

Wall Dispensing Unit

DUAL-BLEND®
Wall Dispensing Unit
Item #4113

features / benefits

- **Closed dispensing system** / Minimizes contact with concentrated chemical.
- **Minimum setup required** / Quick and easy to use.
- **Durable, Tough Design** / Sturdy, durable plastic construction that holds up for long term use.
- **Versatile** / Dispenses to both secondary spray bottles and buckets.
- **Accurate dilutions** / Saves money and products perform better.
- **ASSE Approved** / Back flow device prevents contamination of water source.
- **Simple installation** / Minimum setup required. No tips to insert, no tubes to install. Comes ready to use, simply mount on wall, connect to water source, insert products and begin diluting products.
- **Bottle activated fill assembly** / for easy, one-handed secondary spray bottle filling.
- **Lockable cabinet** / Keeps product concentrates safe. Comes with 2 keys. Secure 3 point lock, top, middle and bottom.

World Class Cleaning & Hygiene Solutions®

DUAL-BLEND® JR.

Modular Dispensing Unit

DUAL-BLEND® JR
Modular Dispensing Unit
Item #4114

features / benefits

- **Completely closed dispensing system** / Reduces contact with concentrated chemical.
- **Reduced footprint - Small convenient size** / Fits easily, even in small closets.
- **Minimum setup required** / Quick and easy to use.
- **Durable, Tough Design** / Sturdy, durable plastic construction that holds up for long term use.
- **Versatile** / Dispenses to both secondary spray bottles and buckets.
- **Accurate dilutions** / Saves money and products perform better.
- **ASSE Approved** / Back flow device prevents contamination of water source.
- **Simple installation** / Minimum setup required. No tips to insert, no tubes to install. Comes ready to use, simply mount on wall, connect to water source, insert products and begin diluting products.
- **One Product at a time** / Safe, Easy, Quick Change
- **Dual-Blend Dock-Link** / Securely locks bottles in place for proper dilution.

DUAL-BLEND®

Portable Dispensing Unit

Item #4165

Glass and Multi-Surface Cleaners

product	features / benefits	yield per bottle	product
Earth Sense® Glass and Window Cleaner 	• Environmentally Responsible / Ingredients are readily biodegradable • Made with Naturally-Derived Surfactants / Less impact on the environment • Removes greasy fingerprints and oil from glass / Increases cleaning efficiency	64 gallons / 256 quarts Dilution Ratio: 1:100	Item No.: 5071-24 4 X 80 Oz./Case  
Glass & Hard Surface Cleaner 	• Cleans without streaks or smears / Multi-purpose, multi-surface. One cleaner does it all. • Easily removes smoke, greasy fingerprints and oils / No rinsing required. • Non-flammable, safe for workers / Environmentally responsible non-flammable, biodegradable formulation contains no NPE's, no phosphates, no acids, no caustics and no solvents. • Non-ammoniated / No irritating fumes or odors.	42 gallons / 168 quarts Dilution Ratio: 1:64	Item No.: 5076-24 4 X 80 Oz./Case 
Earth Sense® Multi-Surface Cleaner with H₂O₂ 	• Readily biodegradable surfactants / Emulsify and suspend soils • All Natural Citrus solvents / Penetrates grease and grime • Peroxide power / Deodorizes and safely bleaches as it cleans • One product / Use for a wide variety of cleaning applications	42 gallons / 168 quarts Dilution Ratio: 1:64	Item No.: 5072-24 4 X 80 Oz./Case  

Restroom Cleaners

product	features / benefits	yield per bottle	product
Earth Sense® Washroom Cleaner 	• Environmentally responsible / Not formulated with harsh caustics or solvents • Ingredients are readily biodegradable / Safe for workers using the product • Made with Naturally-Derived Surfactants / Less impact on the environment. • Effectively removes organic soils and mineral deposits from restroom surfaces / Minimizes labor requirements	13 gallons / 52 quarts Dilution Ratio: 1:20	Item No.: 5073-24 4 X 80 Oz./Case  
Bathroom Plus Concentrate 	• Neutral pH / Safe for use around fixtures, metals, and on finished floors • Beautiful, strong, fresh floral fragrance / Leaves the area smelling fresh and clean • Biodegradable, phosphate free formulation / Environmentally responsible • Cleans, disinfects & deodorizes in one operation / Multiple activity reduces maintenance time and cost • Kills HBV, HIV-1 (AIDS virus) / Reduces danger of cross contamination on hard surfaces	42 gallons / 168 quarts Dilution Ratio: 1:64	Item No.: 5090-24 4 X 80 Oz./Case 

Floor Care

product	features / benefits	yield per bottle	product
Earth Sense® pH Neutral All-Purpose Cleaner 	• pH Neutral Formulation / Recommended for floor care maintenance • Environmentally Responsible / Not formulated with harsh caustics or acids • Orange Color / Uses a food dye approved by the FDA to improve customer appeal • UL Listed / 3rd Party Certified to effectively clean and maintain floor finishes without damaging the floor finish.	322 gallons / 1288 quarts Dilution Ratio: 1:512	Item No.: 5074-24 4 X 80 Oz./Case  
Incrediloso™ Lavender 	• Environmentally Responsible / Uses environmentally preferable surfactants • pH Neutral Formulation / Recommended for floor care maintenance • Versatile performance / Effective under hard water and on all types of soiling conditions • Lavender scent / Leaves room with fresh, long lasting fragrance	42 gallons / 168 quarts Dilution Ratio: 1:64	Item No.: 5087-24 4 X 80 Oz./Case 
Neutral Floor Cleaner & Conditioner 	• pH Neutral Formulation / Recommended for floor care maintenance • Conditions floor finish / Prepares surface for rejuvenation with buffing or burnishing, extending the life of the floor finish • Free-rinsing formula / Dries streak free to reduce labor costs • Versatile / Ideal for use in mop & bucket cleaning, automatic scrubbers and wet pick-up vacuums. • Effective / Works in hard water and on all types of soiling conditions	161 gallons / 644 quarts Dilution Ratio: 1:256	Item No.: 5091-24 4 X 80 Oz./Case 
Bare Bones® Stripper Super Concentrate 	• Over 99% active / Ultra concentrated to save money • Powerful wetting agents / Fast penetration saves time and labor. • Superb wetting system / Remains wet longer to eliminate frequent re-wetting. • Requires no flood rinse or neutralization step / Saves time by eliminating neutralizing and rinsing • Low foaming / Makes cleanup easy with automatic scrubbers and wet pick-up vacuums.	13 gallons / 52 quarts Dilution Ratio: 1:20	Item No.: 5092-24 4 X 80 Oz./Case 
LVT Cleaner / Re-Juvenator 	• Neutral pH Formula • Cleans without damaging the surface • Easy rinsing • Dries streak free • “Ultra-wetting” • Fast, deep penetration for a cleaner, brighter more lively surface	80 gallons / 320 quarts Dilution Ratio: 1:128	Item No.: 5096-24 4 X 80 Oz./Case 

product	features / benefits	yield per bottle	product
Malodor Counteractant 	• Proprietary MCA™ odor inhibitors / Immediately controls obnoxious odors • Non-flammable • Exclusive pleasantly fresh fragrance • Beautiful, modern fresh scent • Versatile / use in various methods of odor control	21 gallons / 84 quarts Dilution Ratio: 1:32	Item No.: 5080-24 4 X 80 Oz./Case 

Disinfectant /Sanitizers

product	features / benefits	yield per bottle	product
HD Detergent / Disinfectant 	• Hospital grade / Insures complete broad spectrum disinfecting • Kills AIDS virus / Reduces danger of contamination from hard surfaces • Phosphate free / Variety of uses for both institutional and industrial areas	42 gallons / 168 quarts Dilution Ratio: 1:64	Item No.: 5078-24 4 X 80 Oz./Case 
Neutral Disinfectant Cleaner 256 	• Neutral pH / will not harm floor finish • Broad Spectrum efficacy / against bacteria, fungi, viruses • Phosphate free / and biodegradable • Effective against HIV-1 (associated with AIDS) • Mildewstatic	161 gallons / 644 quarts Dilution Ratio: 1:256	Item No.: 5079-24 4 X 80 Oz./Case 
Lavender 256 Neutral Disinfectant Cleaner Deodorizer 	• Neutral pH / will not harm floor finish • Broad Spectrum efficacy / against bacteria, fungi, viruses, • Phosphate free / and biodegradable • Effective against HIV-1 (associated with AIDS) • Mildewstatic • Outstanding lavender fragrance / long lasting odor control	161 gallons / 644 quarts Dilution Ratio: 1:256	Item No.: 5089-24 4 X 80 Oz./Case 
Saniquat Sanitizer 	• Multipurpose formulation / Gives cost effective use for a wide range of procedures • High use dilutions / Provides the most economical use for sanitizing • No rinse at specified dilutions / Saves labor while providing complete sanitization • Odorless / Does not contain unwanted perfumes or odors that could prove to be objectionable	322 gallons / 1288 quarts Dilution Ratio: 1:512	Item No.: 5093-24 4 X 80 Oz./Case 

Healthcare Disinfectant Cleaner

24

- **Hospital grade** / Insures complete broad spectrum disinfecting
- **Kills AIDS virus** / Reduces danger of contamination from hard surfaces
- **Neutral pH** / will not harm floor finish
- **Phosphate free** / Variety of uses for both institutional and industrial areas

322 gallons / 1288 quarts
Dilution Ratio: 1:512

Item No.: 5094-24
4 X 80 Oz./Case

Citrus Flower-Quat

25

- **Pleasantly fragranced** / Leaves behind a pleasant citrus flower fragrance
- **Multiple surface compatibility** / Safe to use on any water washable surface
- **Broad spectrum bactericidal activity** / Effectively kills disease causing pathogenic organisms
- **Neutral range pH** / Use for daily maintenance of finished floors without affecting gloss
- **Cleans, disinfects, and deodorizes in one operation** / Easy one-step operation saves time and reduces inventory

20 gallons / 80 quarts
Dilution Ratio: 1:32

Item No.: 5095-24
4 X 80 Oz./Case

Degreaser Cleaners

product	features / benefits	yield per bottle	product
Earth Sense® Degreaser Cleaner 5	• Environmentally Responsible / Not formulated with harsh caustics or acids • Ingredients are readily biodegradable / Safe for workers using the product • Superior degreasing power for tough jobs / Increases cleaning efficiency	21 gallons / 84 quarts Dilution Ratio: 1:32	Item No.: 5075-24 4 X 80 Oz./Case
Heavy Duty Spray Cleaner / Degreaser 7	• Safe, non-corrosive, non-flammable formula / Use on all types of metal surfaces. • Free rinsing / Will not leave a residue or dull cleaned surfaces. • Fast grease cutting action / Reduces labor and waiting times. • Economical dilution / Use for all cleaning and degreasing applications.	42 gallons / 168 quarts Dilution Ratio: 1:64	Item No.: 5077-24 4 X 80 Oz./Case
Sha-Zyme™ Grease Attacking / Anti-Slip / Deodorizing Bio-Cleaner 11	• Unique non-acid formula / Eliminates grease, grime, urine deposits, light mineral deposits. • Improves slip resistance / Removes deep down, trapped grease and grime. • UL Classified as to Slip Resistance • Will not build-up, yellow or become sticky / No rinsing required • Deodorizes as it cleans / Pleasantly fresh fragrance. • Environmentally responsible / Non-flammable, biodegradable formulation contains no NPE's, no phosphates, no acids, no caustics and no solvents. • Synergized multi-blend (SMB) high active bacteria count / Produces grease eliminating enzymes, consuming grease and organic materials until they are gone.	42 gallons / 168 quarts Dilution Ratio: 1:64	Item No.: 5081-24 4 X 80 Oz./Case

Bridging the gap between performance, economy & worker safety.

At NCL®, we're proud to offer chemical management systems and highly concentrated, cost effective cleaning products your business can depend on. Keeping your facility hygienically clean not only presents a great first impression, it more importantly provides a healthy environment and extends the life of the facility.

Keeping a facility clean requires working with many, varied surfaces, and with a wide selection of chemical offerings, NCL® gives you the ability to make the right product choice every time! Color-Coded products with easy-to-follow labeling and training charts make training of your cleaning staff simple and effective.

NCL® has engineered the DUAL-BLEND® Chemical Management System to be a flexible program that can be "right-sized" for virtually any facility or location. With the need for in-use chemical safety and labor cost control at an all-time high, it's essential that facilities use the right chemical concentrations to provide optimum cleaning performance.

DUAL-BLEND® marks a major milestone in integrating closed loop dispensing technology while dramatically reducing exposure to concentrated chemicals.

Lockable, Modular or Portable. The DUAL-BLEND® Chemical Management System offers...

Dilution Control - Your Way

Training Materials

High quality wall charts, secondary labels and training materials are available in English and Spanish.

The secret is inside the bottle ...

Versatile, Easy to Use ...

- The DUAL-BLEND® bottle can be used in the DUAL-BLEND® Wall Unit, the DUAL-BLEND® JR. or the DUAL-BLEND® Portable Dispensing Unit, making training easier. Eliminates the need for duplicate SKU's for wall mounted closet units and portable dilution control needs.
- The DUAL-LINK™ stem in each DUAL-BLEND® bottle contains a built-in metering tip that consistently delivers the desired dilution.
- The DUAL-BLEND® bottle contains 80 ounces and offers a reasonable weight for easy transporting around, yet a large enough volume to offer a great savings value.
- DUAL-BLEND® products are numbered, color coded, with bi-lingual labeling to make training easier and promote safer product usage.

Cost Effective ...

- Reduce overall chemical costs by accurately diluting product each time as compared to manual dilution methods.
- Reduces training requirements
