

ASPIRE™

Metal-Free Floor Sealer / Finish

DESCRIPTION

ASPIRE™ Metal-Free Floor Sealer/Finish is a technologically advanced "non-zinc" Sealer/Finish. It produces an immediate wet-look gloss and is buffable with a 330 - 2000 RPM equipment for long lasting beauty and performance. This environmentally responsible formulation meets the Green Seal Standard for Industrial and Institutional Floor-Care Products (GS-40).

ASPIRE Metal-Free Floor Sealer/Finish is recommended for use in Federal, State and Local Government Offices, Military Bases, Municipal Facilities, Day Care Centers, Hospitals, Nursing Homes, Office Buildings, Parks and Recreation Centers, Schools, Universities, Hotels, Lodging and any facility sensitive to environmental and human health characteristics.

PRODUCT FEATURES / BENEFITS

- Technologically advanced formula provides exceptional gloss and performance rivaling traditional zinc containing finishes.
- Contains no heavy metals that can be harmful to the environment and aquatic life.
- Contains no environmentally harmful surfactants and no environmentally toxic preservatives.
- Responds to burnishing with 300 - 2000 RPM equipment
- Sealer / Finish combination simplifies floor care maintenance and controls product costs.

DIRECTIONS FOR USE

Initial Floor Preparation: Completely remove the existing floor coating using recommended products. When starting an "environmentally responsible program" it is important to start with a bare floor. Make sure that the floor is clean and completely dry.

Application: Using a clean mop or applicator apply a thin uniform coat of Earth Sense® ASPIRE Metal-Free Floor Sealer / Finish. Allow to dry for a minimum of 30 minutes after each coat. Do not apply more than 4 coats in a 24 hour period.

High Speed Buffing and Burnishing: This is an ideal product for use with any speed polishing or burnishing equipment (electric, battery or

propane). For high speed buffing or UHS burnishing / restoration, use an NCL AQUA MAGIC Buffing Pad with POP & SHINE Gloss Restorer.

Maintenance: Maintain by dust mopping daily using mop treated with CONTROL Dust Mop Treatment. Damp mop or clean with an automatic scrubber as required, using Earth Sense® #16 pH NEUTRAL ALL-PURPOSE CLEANER.

Stripping: When stripping becomes necessary use a compatible Green Seal™ Certified Earth Sense® stripper following instructions on the original product label.

SPECIFICATIONS

Specific Gravity (g/cc)..... 1.02 ± 0.01
Density (lbs/gal) 8.5 ± 0.1
% Styrene (Free Monomer)..... 0.0
Color White, Opaque
Odor..... Mild acrylic

pH..... 7.9 ± 0.5
Heavy Metals..... None
Nonylphenol Ethoxolates..... None
Environmentally toxic preservatives None
Shelf Life..... 1 year minimum in original unopened container

ENVIRONMENTAL RECOGNITIONS

The EARTH SENSE® Seal of Assurance is self-certified by NCL, and identifies our products that are formulated to promote human health and worker safety with a preferred environmental profile.

This product meets Green Seal™ Standard GS-40 based on effective performance and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.
